Hi [Riya panhotra](#),

We sincerely appreciate your participation in the Walmart CodeHers Challenge.

Because of the overwhelming response, for everyone's benefit, we have decided to increase the MCQ Challenge window. **Now, you can take the quiz anytime between 12 Jun' 21 10:00 AM to 12 Jun'21 10:00 PM.**

Kindly read through the following key instructions which you need to keep in mind before attempting the quiz:

Rules:

- All registered individuals can play this quiz.
- There is no negative marking for this quiz.
- You can only play the quiz on a **desktop/laptop**.
- Updated Quiz window: **12 Jun' 21 10:00 AM IST to 12 Jun'21 10:00 PM IST**
- Quiz duration: **25 Minutes**
- You can attempt the quiz anytime between the provided window. Please ensure that you attempt the quiz in one sitting as once you start the quiz, the timer won't stop.
- You will have to finish the quiz before 12 Jun'21 10:00 PM IST
- Total number of questions: **30 Questions**
- You'll be able to browse through the questions.
- You'll be able to modify your answers before finally submitting your answers.
- The quiz will be hosted in full-screen mode. If you'll try to exit the window or switch tabs while the quiz is on, a violation will be recorded. Repeated violations will result in disqualification and termination of the assessment.
- Please note that candidates who have attempted both rounds (Quiz and Coding Challenge) and have non-zero scores in both of them will be considered for shortlisting to the next round.

Looking forward to your earnest participation. All the best!
